Week of the Young Child and the Importance of Fingerprinting

Week of the Young Child, Children's Fair and Egg Hunt at McVicker Park on April 23, 2011, in the City of Lake Elsinore. Kids Safety was promoted and children were fingerprinted in their own ID kits. This is important if a "Child Abduction" should occur, the information is on file. Kits were donated by Assemblyman Kevin Jeffries, 66th District. He says, "Protecting our children is a top priority. I want to give parents the tools they need to keep their children safe, on the playground, in their neighborhood and at school." The coloring book encourages children to ask their parents, teacher or an adult in charge for help if they ever feel like they are in danger.

Camping: "Intervention"

Teaching kids right from wrong to be future champions!

Camp Fun Walk Run, BBQ fundraiser and opportunity drawing was a great way to launch the kids into raising scholarships for camp. The BBQ was at the Veterans of Foreign War (VFW), Wildomar. Veterans donated their facility and grilled hot dogs for the event. Alyssa Jacobs, 10 years old, raised \$250.00 to give the gift of camp to another child. She has been to camp before with her church and remembers how much fun it is. \$5.00 ticket drawing is June 19, 2011. Winners will be picked at the 41st annual Father's Day Car Show, Cal Oaks Sports Park, Murrieta. The baskets are valued at \$260.00 for a one-day gift certificate for a Harley Davidson motorcycle, a one-hour gift certificate at Massage Envy and many more prizes

Chase Chamberlain of Murrieta at 13 years of age went to summer camp from 2002-2008. He was from a broken home, couldn't read and was struggling. He was mentored and his reading skills improved, he got focused and applied himself with the goal of having a better life. Camp helped Chase to be confident, out going and respectful. Today he is a Military Police in the U.S. Navy serving in Greece. He is happily married to Jen and they are giving back to their country and community.

Camp is June 20 - 24, 2011 for
2nd - 6th graders - Theme: Shine
Camp is June 26 - July 1, 2011 for
Jr. & Sr. High - Theme: Glow

Mentoring: "Direction"

Giving kids purpose, destiny, prosperity and a winning spirit!

Riverside County Sheriff's Department - Lake Elsinore Station provides a positive role model approach to mentor Youth.

Captain Fontneau passed out his business cards explaining to the children that they are welcome to call him with any questions, and the Sheriffs are happy to spend time with the youth in the communities they serve and protect. Kids are encouraged to practice safety and to make good day by day choices.

It's very important says Captain Fontneau, "for the children to know that the Sheriffs are their friends, not to be afraid of them, but to have confidence in the Sheriffs that they are here to help!" Youngsters are encouraged to waive to the Deputy's in their police cars and that the Sheriffs will wave back. Deputy Romero invited youth fourteen years of age and up to contact the Sheriff's Explorer Program to expand their interest in a career in law enforcement.

We ask for the community to support this E-Waste fundraiser event.
Proceeds benefit Christmas gifts for at-risk kids.
