CERTIFICATE OF RECOGNITION

Presented to:

Dr. Mona and Bob Davies
Community Outreach Ministry
"Outstanding Community Service Award"

As the Senator for the California's 24th Senate District I want to recognize your outstanding and invaluable service to the community for developing and implementing innovative workshops for high-risk elementary and secondary school age students: The intervention workshops "Gearing Up For STEM" Mentor Protégé Workshops (2018) and "Breaking the Cycle of Incarceration" Mentor Protégé Workshops (2017) are combating drug abuse, diverting gang activity and reducing future involvements in the Juvenile Justice System. Workshops are giving students opportunities to assemble mechanical robots with peers and mentors building practical skills and enhancing educational and vocational career pathways in Science, Technology, Engineering, and Mathematics (STEM) contributing to positive youth development. Congratulations for exhibiting these workshop materials and your book CHILDREN'S LITERATURE FROM INCARCERATION: Breaking Cycles New Beginning (2017) in April at the Children of Incarcerated Students National Conference hosted by Arizona State University Center for Child Well-Being. Your involvement with this second annual conference in Phoenix was a fine example of the important work you and your husband do to improve the lives of many high-risk kids in Riverside County. Thank you on behalf of the residents from the 24th Senate District.
