## Outreach: "Thank You"

*Stop the bleeding and meeting felt needs!*

STEAM Summer Day Camp Mentor Protégé Workshops

"A STEAM workshop by invitation only was held outdoors in Murrieta on August 29, 2020 giving Angel Tree children a golden opportunity to expose students to robotics and art, and to introduce STEAM. The pre-questionnaire revealed that 16 out of 21 students had never heard of STEM, yet the majority had successfully built a robot from a soda can; exemplifying the impact of Community Outreach Ministry to empower students from a young age:" said volunteer Briana Ramirez of Murrieta. Of the 21 children 13 students were in elementary, 5 students were in middle school, and 3 students were in senior high. Students were from Hemet, Murrieta, Wildomar, and Lake Elsinore. The workshops have brought engineering, and art opportunities to motivate these mentees with the support of their mentors to do well in school, build their STEAM literacy and create a rewarding future.

This outreach was made possible through a grant from the Riverside County District Attorney's Asset Forfeiture Special Fund. The fund supports the development and continuation of positive intervention programs for high-risk elementary and secondary school age students to divert them from drugs and gangs.

# Camping: "Intervention"

Teaching kids right from wrong to be future champions!

## STEAM Summer Day Camp Mentor Protégé Workshops

Saturday, August 29, 2020, 10:30 am – 1:30 pm.  
Held At: Wellness and More, 25377 Madison  
Avenue Suite 104, Murrieta  
Across from Walmart behind Denny's

Wellness and More Herbalife Nutrition owner Jennifer Hernandez said, "it was an honor to host the event and see the mentors support their mentees in the robotics and arts and crafts workshops. The workshops, mentors, and mentees flowed perfectly. It was nice to have the Neal Brother Singers Jacori and Jaelin sing and share their testimonies."

# Mentoring: "Direction"

Giving kids purpose, destiny, prosperity and a winning spirit!

Cynthia Duran Sewing Stories Arts and Crafts coach said, "I was so inspired by the children and had an opportunity to work with a family with three young boys and then a family of three young girls. Both sets of siblings spent most of their time at my booth creating flags or decorating their crab robots. I was so impressed by their imagination and use of materials to create their own art  
Children are amazing and I learn so much from them at each event."

"The Secret Service Riders Inland Valley appreciated the opportunity to serve as mentors for the children and learned some things in the process. This was a very humbling and exciting experience. We look forward to teaming up with Community Outreach Ministry in the future" Miesha "Tru" McClendon.
